Dear applicant

Many thanks for your interest in volunteering at the Law Centre.

In order to apply you will need to complete the application form and monitoring form and send it to [mail@ablc.org.uk](mailto:mail@ablc.org.uk). Please also refer to the general information about volunteering at the Law Centre, the different roles that you may apply for, and the Law Centre's Annual Review.

We often have more applications than vacancies so your application will be kept on file for three months. If a vacancy becomes available in this time we may contact you for an informal interview about taking up the role. If we have not been contacted you within three months and you still want to be considered for a volunteer role you may wish to apply again.

We prioritise people who can demonstrate an interest in Social Welfare Law and people from the local area. We ask for a minimum commitment of half a day a week for six months. References will be taken up following a successful interview.

We are able to pay reasonable expenses for local travel and childcare.

Yours sincerely,

Jane Kelly and Deborah Gubbay  
Volunteer coordinators
