Monitoring Form – Volunteers

We would be grateful for your help in monitoring our volunteer recruitment process. Please complete this form and return it with your application form. Monitoring forms will not be used in the selection for this or any other posts. If you are offered an informal interview, your monitoring form will not be seen by staff beforehand. We will then use it to see how effective our advertising has been in attracting potential volunteers and how effective our Equal Opportunities policy is.

Where did you see the advertisement for this role?

If you did not see an advert, how did you hear about this job?
